Docket No. 7466

Investigation into Petition Filed by Vermont       )  
Department of Public Service Re: Energy            )  
Efficiency Utility Structure – Phase 2                )

Order entered: 5/18/2010

**ORDER RE SCHEDULE**

On May 11, 2010, I conducted a workshop on the draft information filed by parties to be considered by the Public Service Board ("Board") in the Initial Overall Performance Assessments ("Initial OPAs") that are being conducted in Phase 2 of this proceeding. At this workshop, parties discussed the schedule for the Initial OPAs "track" of this proceeding.<sup>1</sup> Only two changes were made to the previously established schedule. First, any requests that a second workshop be held in the Initial OPAs track should be filed on or before June 1, 2010. In addition, if a second workshop is held in this track, it will be held at 1:30 p.m. on June 7, 2010.

Also at the workshop, parties discussed what information should be considered part of the record in this track. It was agreed that the record will consist of the final information to be filed on May 25, 2010. Neither the draft benchmarking study filed by the DPS, nor the draft information filed by Vermont Energy Investment Corporation ("VEIC"), nor the transcript from the May 11, 2010, workshop will be included in the record. While not explicitly stated at the workshop, the "state-sanctioned information" filed by the DPS on April 29, 2010, will also be part of the record in this track. Parties should keep this in mind when preparing their recommendations and proposed findings.

For the parties' convenience, I have attached an updated complete schedule for all tracks in Phase 2 of this proceeding.

**SO ORDERED.**

---

1. Phase 2 includes three tracks: Issue Resolution; Initial OPAs; and the Department of Public Service's ("DPS") Benchmarking Study.

Dated at Montpelier, Vermont, this 18<sup>th</sup> day of May, 2010.
